In the first few days of May, we issue the final invoice the due date of which is 10th May, this will also be sent electronically to the e-mail address specified.

For orders made following the issuance of the final invoice, normal invoice will be issued and will be sent to the customer electronically to the e-mail address specified.

Dear Exhibitor,

For your unencumbered and successful participation, thus for the success of the exhibition, we summarize the key rules and information which are governed in detail by the Rules of Procedure and the General Terms and Conditions of the exhibition which are available at the [szantofoldinapok.hu](http://szantofoldinapok.hu) website.

1. The prerequisite for the participation in the exhibition is the timely submittal of the registration sheet and the payment of the full service fee of the service indicated in the ordering according to the invoice sent. A minimum requirement is to exactly specify the data of applicant and the area requested, and the proper signature of the registration sheet.
2. By the returning of a copy of the registration sheet properly signed by the customer via mail or electronic means to [szantofoldinapok@nak.hu](mailto:szantofoldinapok@nak.hu) to the main organizer, the contract and order will take effect. Customer thus acknowledges to have learned and accepted the contents of the Rules of Procedure and the General Terms and Conditions of the event.
3. The fee of the area and service requested is to be paid according to the General Terms and Conditions but the full amount is to be paid until 10th May, 2020, or upon failure, the receipt of payment is to be presented to the financial manager of the general contractor on the day of the beginning of stall installation.
4. The services requested during the exhibition are to be paid for according to the invoice, in cash according to the prices indicated in the registration sheet.
5. The construction and equipment requests received within the installation period of the exhibition (8:00, 25th May 2022 - 18:00, 31st May 2022) will be completed at a surcharge of 100%.
6. The exhibiting company must have a liability insurance regarding its own and/or its subcontractors' activities in the exhibition area, for the entire duration of its activity. This liability insurance shall be established with the assistance of the general contractor according to the provisions of Paragraph (1) of Section VI. of the General Terms and Conditions. The fee of the obligatory liability insurance is 3% of the area fee (outdoor and/or indoor area) indicated in the registration sheet for which the Customer has payment obligation.
7. The front lengths of the areas occupied in the outdoor area are to be rounded to metre (min. of 2 m). In case of guest service facilities, the area for guest service and consumption in front of the pavilions and buffet carriages are to be taken into account.
8. If a successfully registered exhibitor cancels the appearance after the deadline for registration, its place can be filled by the organizers but the fee for the floor area is to be paid. Cancellation of an order may be made via registered mail with advice of receipt.
9. The exhibition area is handed over cleanly and is requested to be returned in this condition.
10. The separator walls of the stalls may not be drilled or nailed, and any damage caused to the equipment is to be compensated for by the exhibitor on the spot upon a cash invoice.
11. The decoration installed by the exhibitor is requested to be removed during disassembly otherwise the costs of cleaning will be billed to the exhibitor in default.
12. For any object located in the exhibitor's area, on the exhibitor's stall and those left on the premises, no responsibility is taken by the main organizer and the general contractor. Car parks are free of charge but they are not guarded thus please take care of your valuables. Upon request, the exhibitor may use the stall guard service by ordering it until deadline.

13. *The participants are to adhere to the general fire safety, work safety and electrical safety rules and the rules of the exhibition! Otherwise, the main organizer, or the general contractor and their trustees on behalf of the main organizer are entitled to act.*
14. *Applicant declares to have any effective authority permits required for the activities to be pursued at the event.*
15. *For any incident of damage upon force majeure case, neither the general contractor nor the main organizer may be held responsible! Applicant acknowledges that, in accordance with Chapter VII "Force Majeure" of the General Terms and Conditions, neither the General Contractor nor the Main Organizers may be held responsible for any damage caused in the event of unavoidable (force majeure) causes! Furthermore, the Applicant expressly accepts that after the occurrence of unavoidable force majeure, there is no way or possibility to reimburse the consideration for or costs of the fees and services already paid, therefore the Main Organizers and the General Contractor may not be obligated and are not obliged to reimburse the amounts paid so far.*

*In accordance with Chapter VII "Force Majeure" referred to above, "Force Majeure" shall mean events that occur in a manner not attributable to, or beyond the control of, and unavoidably by the Parties (Exhibitor, General Contractor and Main Organizers of the exhibition) and which impede the contractual performance of the Parties or delay the performance of the contract, provided that such circumstances arise after the signature of this contract and were not foreseeable and were unavoidable at that date, in particular:*

- a. extreme weather events or flood,*
- b. natural disasters,*
- c. acts of terrorism, strikes, insurrections, revolutions, riots, military or other coups, civil war and*
- d. war or other conflicts, occupation, hostilities, mobilization,*
- e. economic emergency,*
- f. stock market crash, any significant negative change in the forint/foreign exchange rate,*
- g. mass cancellation*

*In addition, the Parties expressly consider the following to be such an unavoidable event*

- h. emergency ordered by the government due to the coronavirus pandemic,*
- i. curfew due to an epidemic,*
- j. and restrictions on events or social gatherings under which the holding of the event specified in this contract is prohibited or expressly restricted to such an extent that it is not possible to hold the event.*

16. *In view of the epidemiological regulations in force, the Customer agrees to comply with the epidemiological regulations, and to make the contributors employed and the visitors to the exhibition area comply therewith. By signing the registration sheet, the Customer expressly accepts the condition that he/she shall be liable for damages resulting from non-compliance with such rules (instead of the Main Organizers).*
17. *By signing and returning this registration sheet, the Customer declares that he/she has read and expressly accepted the provisions contained in the Rules of Procedure and the General Terms and Conditions of the event and exhibition. In this respect, the Customer accepts in particular that the General Terms and Conditions differ from the legislation and the usual contractual practice in the matter of liability applied in connection with the epidemiological rules.*
